

## PRESIDENT'S REPORT

Hi all, wow, what did you think of the October comp, what a beauty. We had a great crowd with over a hundred people in attendance. The atmosphere was great, the weather good, and thanks to our sponsors, **Daltons, Murray Wilcox, Allenco Marine** and **Directional Drilling**. The prizes looked awesome, many thanks must go to Pauline and Lippy for the hard work in organising and presenting the goodies. On that note I would like to say how well all the new committee members have slotted into their new rolls, well done team, you are doing a great job.

Our next comp on the 7th and 8th of November will be a beauty. As I said last month our new major sponsor for the month is **J Swap**, Swaps do a fantastic job supporting our community and it is great to have them back being involved in our fishing club. As you will see further on in the newsletter we have a fantastic number of sponsors for the November comp and we greatly appreciate their support. The comp will involve prizes for heaps of fish categories, and, also a large number of spot prizes and lucky member draws so bring the whole family along and have a great evening at the weigh in, oh and expect some very good entertainment for young and old, see you there ah. ☺

As I mentioned last month, part of the **Swaps** sponsorship is to put their lovely big launch 'Savana City' up for auction. This will

involve a trip to Mayor Island for five people for the December comp, it will be an overnigher and with their professional skipper at the helm, a very real chance of landing some big Mayor Island snapper. Now here's the next good bit, all proceeds from the auction will go into the December Christmas comp, it will be put into Christmas hams and turkeys for spot prizes so make sure you are there. With the great new sponsors on board for December of **Viking Kayaks** and **Golden Flow** they will combine with our long time regulars of **Comag** to make it a very festive occasion. **Comag** have been a great sponsor for years and now with the addition of **Vikings, Golden Flow** and **Swaps** it can only be bigger and better, thanks guys.

Last but not least to all you members, please where you can in this great little town of ours "**SUPPORT YOUR SPONSORS**", this is so important to the running of our club, so get in behind those that support us and do your bit.

On the fishing scene, the Coromandel is starting to warm up and the fishing improving, the West Coast off Kawhia is running hot and there is some reasonable snapper coming in from the BOP.

Happy Days, Happy Fishing  
Be good to your fellow man  
Bungey

# KERRY MCKINLEY MEMORIAL MEMBERS COMPETITION – JULY 2016

Current Balance is **\$300**

Dear Members,

For our July Competition for 2016 we are looking at our members to sponsor the prizes for this competition, just a small donation back to the club. Can we better last year's awesome amount of \$1,400.00? But this can go much higher depending on donations.

Just place the donation in an envelope and place your name and July Competition on the outside of it and hand it in to the office or give it to Chris or Pauline.

Thanks: Matamata Fishing Club Committee
